

## WEBSITE HOMEPAGE

There is a navigation bar at the top, each with its own function.

- Home will redirect to the homepage.
- About has two options, about us and about tutors.
- Subjects have five options (like the subject names stated in the pictures below, which are also clickable and redirect to the subject information).
- Contact, more details about the company.
- Register and login button, which will navigate to their respective page.

### Home

The screenshot shows the homepage of 'Let Us Score!' with a dark blue header bar. The header contains the logo 'Let Us Score!', a search icon, and links for Home, About, Subjects, and Contact. Below the header is a large central image featuring two students, one standing and writing on a whiteboard, and another sitting at a desk with a laptop. To the right of the image is the text 'Smart E-Tuition Information' and a brain icon with the 'Let Us Score!' logo. Below this section is a quote: 'Let Us Score! will assist you in achieving the greatest possible results in your Sijil Pelajaran Malaysia (SPM). Join now and embark on a fantastic journey with us! "Education is the most powerful weapon which you can use to change the world." - Nelson Mandela'. At the bottom of the main content area are two buttons: 'Register' and 'Login'. Below the main content are five subject cards: Mathematics (with a calculator icon), Additional Mathematics (with a ruler icon), Physics (with a atom icon), Chemistry (with a flask icon), and Biology (with a microscope icon).

been sent a code. Enter the code in  
the box above.

**Submit**

4. Input the new password.

5. A successful popup appeared and redirected to the login page.

## Dashboard (Student)

When a user registers on the registration page, they will automatically be given the student role. Only administrators can change the level of the user. The student dashboard below will be shown when the student has logged in successfully.

The screenshot displays the Student Dashboard interface. On the left, a vertical navigation bar (1) contains links: Dashboard, Update Details, Register Subject(s), Class Details, Feedback, and Sign Out. The main area (2) features a quick report section with a student icon, the name 'Khairul Haziq bin Khairy', a count of '0' classes taken, and a status of 'Invalid'. A timestamp at the top right shows 'Wed Jul 27 2022 12:11:33 GMT+0800 (Malaysia Time)'. Below this is the 'My Tuition Timetable' section (3), which lists time slots from 8:00 a.m. to 4:00 p.m. for Saturday and Sunday, all marked as 'No Class'. To the right is the 'My Details' section (4), providing personal information: Name (Khairul Haziq bin Khairy), Phone (0164005753), Email (ihaziqkhairy@gmail.com), Birthdate (2002-04-13), Gender (Male), and Address (No. 14, Lorong Hang Tuah 7, Apartment Utama, 31490 Chenderiang, Perak).

1. Student's navigation bar.
2. A student's quick report. It will display the student's name and a male or female icon according to gender. For verification status, whether the student has registered for any classes, it will either display Invalid, Pending, Accepted, or Declined.
3. In the tuition timetable, in the red box, if the user has been verified for the classes taken, there would be a green box with the day of the classes.
4. Details about the student.

## Update Details (Student)

The screenshot shows a user interface for updating personal details. On the left is a sidebar with a logo 'Let Us Score!' and navigation links: Dashboard, Update Details (highlighted), Register Subject(s), Class Details, Feedback, and Sign Out. The main area has a header showing the date and time: Wed Jul 27 2022 18:58:35 GMT+0800 (Malaysia Time). Below this is a section titled 'My Details:' containing fields for ID (1), Username (haziq), Full Name (Khaiul Haziq bin Khairy), Phone Number (0164005753), Email (ihaziqhairi@gmail.com), Gender (Male), Birthdate (13/04/2002), and Address (No. 14, Lorong Hang Tuah 7, Apartment Utama, 31490 Chendering, Perak). At the bottom is an 'Action (Save)' button with a save icon.

Update their own user details. Note that the details in the grey box cannot be changed or edited. The next step is that the user must click the save icon.

And data is saved.

## Register Subject (Student)

Subject	Time	Saturday   Slots	Sunday   Slots
Mathematics	8:00 a.m. - 9:00 a.m.	<input type="radio"/> 4 / 10	<input type="radio"/> 3 / 10
Additional Mathematics	9:00 a.m. - 10:00 a.m.	<input type="radio"/> 10 / 10	<input type="radio"/> 3 / 10
Physics	1:00 p.m. - 2:00 p.m.	<input type="radio"/> 3 / 10	<input type="radio"/> 5 / 10
Chemistry	2:00 p.m. - 3:00 p.m.	<input type="radio"/> 3 / 10	<input type="radio"/> 10 / 10
Biology	3:00 p.m. - 4:00 p.m.	<input type="radio"/> 0 / 10	<input type="radio"/> 4 / 10

Steps:

1. Choose the desired slot on which day for each subject. It is not necessary to choose all, and at least one input must be chosen in order to submit. If the slots for the class are full, the user cannot choose the button.
2. Upload payment proof (each class costs RM50). The file format must be in a picture or pdf format and not exceed 5MB. (The payment proof file will then be uploaded to the server and will be renamed as studentUsername\_currentDate.fileformat).
3. Reset button to reset the student's input and submit button to submit the registration.

When the student successfully submits the registration,

1. the option "Register Subject(s)" in the navigation will no longer be displayed.
2. the verification status in the student dashboard will be changed to Pending.

The screenshot shows a student dashboard with a dark blue sidebar on the left containing icons for Dashboard, Update Details, Class Details, Feedback, and Sign Out. The main area has a white header with a circular logo and the text "Student Kharul Haziq bin Khairy". Below this, there are four cards: "0 Class taken" with a person icon, "Pending Verification Status" with a book icon, "Contact" with an info icon, and another "Contact" section with email and WhatsApp icons. A date and time stamp "Wed Jul 27 2022 19:23:04 GMT+0800 (Malaysia Time)" is at the top right. On the right, there's a "My Tuition Timetable" section showing a grid of time slots from 8:00 a.m. to 4:00 p.m. on Saturday and Sunday, all labeled "No Class". To the right of the timetable is a "My Details" section with fields for Name (Kharul Haziq bin Khairy), Phone (0164005753), Email (ihaziqkhairi@gmail.com), Birthdate (2002-04-13), Gender (Male), and Address (No. 14, Lorong Hang Tuah 7, Apartment Utama, 31490 Chenderiang, Perak).

If an admin has accepted the student's registration, below is the timetable for the student

## Class Details (Student)

The screenshot shows a user interface for a student. On the left is a sidebar with a logo 'Let Us Score!' and navigation links: Dashboard, Update Details, Class Details (which is highlighted), Feedback, and Sign Out. The main content area has a header 'Khairul Haziq bin Khairy's Classes' and a timestamp 'Wed Jul 27 2022 19:12:45 GMT+0800 (Malaysia Time)'. Below the header is a large, empty rectangular box.

It is currently empty as admins have not accepted the student's registration yet. If an admin has approved the registration, below is the output.

The screenshot shows a user interface for a student. On the left is a sidebar with a logo 'Let Us Score!' and navigation links: Dashboard, Update Details, Class Details (which is highlighted), Feedback, and Sign Out. The main content area has a header 'Khairul Haziq bin Khairy's Classes' and a timestamp 'Wed Jul 27 2022 19:54:06 GMT+0800 (Malaysia Time)'. Below the header is a table displaying class details:

Subject	Day	Time	Link	Total Student(s)	Tutor's Name	Tutor's Email	Tutor's Phone
Additional Mathematics	Sunday	9.00 a.m. - 10.00 a.m.	<a href="https://meet.google.com/fiw-opao-zxs">https://meet.google.com/fiw-opao-zxs</a>	4	Nur Taniza binti Suhardy	taniza94@gmail.com	0194234854

The table shows the student's class details, including the class's tutor details.

## Feedback (Student)

The screenshot shows the 'Feedback System' page. At the top right, there is a date and time indicator: 'Wed Jul 27 2022 19:02:26 GMT+0800 (Malaysia Time)'. On the left, a sidebar menu includes 'Dashboard', 'Update Details', 'Register Subject(s)', 'Class Details', 'Feedback' (which is highlighted), and 'Sign Out'. The main content area has a heading 'Feedback System' and a paragraph about the importance of feedback. Below this, a form is displayed with fields for 'Name' (Khairul Haziq bin Khairy), 'Date' (7/27/2022, 7:02:26 PM), 'Title' (my title), and 'Comment' (my feedback). There are 'Reset' and 'Submit' buttons at the bottom of the form. A section titled 'My Feedbacks' shows a table with two rows of data. The first row has ID 10, Title 'afasfsadfasdf', Comment 'asdfasfdf', and Date Submitted '2022-07-13 14:18:51'. The second row has ID 11, Title 'title', Comment 'test', and Date Submitted '2022-07-13 14:54:08'.

Students can give feedback by submitting the form above. It must contain the title and a comment. Both are necessary. Note that admins cannot see who made a certain type of feedback (highly confidential). After it has been submitted, it will be shown in the "My Feedbacks" table.

### My Feedbacks

ID	Title	Comment	Date Submitted
10	afasfsadfasdf	asdfasfdf	2022-07-13 14:18:51
11	title	test	2022-07-13 14:54:08
13	my title	my feedback	2022-07-27 19:02:35

The new feedback is then saved and can be seen above.

## Dashboard (Admin)

The dashboard is divided into several sections:

- Left Sidebar (1):** Contains links for Dashboard, Manage Student, Manage Tutor, Manage Class, Class Verification, Class Details, Feedback, and Sign Out.
- Top Bar (2):** Shows the date and time (Wed Jul 27 2022 19:08:01 GMT+0800 (Malaysia Time)) and includes icons for Admin profile, student count (31), total registered students (5), and pending class verification (6).
- Graph Area (3):** A stacked bar chart titled "Total number of students enrolled in each subject". The Y-axis ranges from 0 to 20. The X-axis lists subjects: Mathematics, Additional Mathematics, Physics, Chemistry, and Biology. The legend indicates three categories: Approved (dark blue), Pending (medium blue), and Declined (light blue). Approximate data values:

Subject	Approved	Pending	Declined
Mathematics	9	2	2
Additional Mathematics	15	3	2
Physics	8	2	1
Chemistry	13	1	1
Biology	5	1	1
- My Details Area (4):** Displays personal information for the admin:
  - Name: Harith Adib bin Mikail
  - Phone: 0142539622
  - Email: richdb@gmail.com
  - Birthdate: 1996-11-08
  - Gender: Male
  - Address: 52, Jalan Petaling, Bandar Flora, 01524 Simpang Empat, Perlis Indera Kayangan

1. Administrator's navigation bar.
2. An admin's quick report. It will display the admin's name. The numbers for total students and tutors registered and also total classes pending need to be verified.
3. A graph which shows the total number of students enrolled can be seen with each subject.
4. Details about the admin.

## Manage Student (Admin)

All of the details and functions for “Manage Tutor” would be the same as for “Manage Student”, but the data would be changed to be for tutors.

The screenshot shows a web application interface for managing student details. On the left is a sidebar with a logo and links for Dashboard, Manage Student, Manage Tutor, Manage Class, Class Verification, Class Details, Feedback, and Sign Out. The main area is titled "Student Details" and contains a table with columns: Full Name, Gender, Phone, Email, Birthdate, Address, and Action (Save). There are seven rows of data, each with a yellow checkmark icon in the Action column. The data includes:

Full Name	Gender	Phone	Email	Birthdate	Action
Khairul Haziq bin Khairy	Male	0164005753	ihaziqkhairy@gmail.com	13/04/2002	✓

## Manage Class (Admin)

The screenshot shows a dashboard for managing classes. On the left is a sidebar with navigation links: Dashboard, Manage Student, Manage Tutor, Manage Class (which is selected and highlighted in blue), Class Verification, Class Details, Feedback, and Sign Out. The main content area is titled "Class Details:" and contains a table with 10 rows of class information. Each row includes columns for ID, Subject, Link, Day, Start Time, Fee, Total Student, and Action (Save). The "Action (Save)" column contains a yellow checkmark icon. A timestamp at the top right indicates the date and time as "Wed Jul 27 2022 19:38:50 GMT+0800 (Malaysia Time)".

Admins can edit class details here, and click the save button. Note, the gray box cannot be edited.

[Export Data to CSV](#)

There is also an option to export data to CSV same as shown before this which would be named as "feedbackList (currentDate).csv".

## Class Verification (Admin)

The screenshot shows a web-based administration interface for class verification. On the left is a dark sidebar with a logo and navigation links: Dashboard, Manage Student, Manage Tutor, Manage Class, and Class Verification (which is selected). Below these are links for Class Details, Feedback, and Sign Out. The main content area has a header 'Class Verification System' and a date 'Wed Jul 27 2022 19:42:12 GMT+0800 (Malaysia Time)'. It displays a table titled 'Students' Registration Table (Pending):'

Subject	Student Name	Registration Date	Proof of Payment	Registration Status	Action
Physics	Khairul Haziq bin Khairy	2022-07-27 19:05:22		Pending	<button>Approve</button> <button>Update</button>
Additional Mathematics	Khairul Haziq bin Khairy	2022-07-27 19:05:22		Pending	<button>Approve</button> <button>Update</button>
Mathematics	Ban Siaw Xi	2022-07-13 02:41:30		Pending	<button>Approve</button> <button>Update</button>

Physics	Chai Key Teh	2022-07-12 19:11:55		Pending	<button>Approve</button> <button>Update</button>

Below the table, the URL 'localhost/smartertutor/php/verify\_subject.php' is visible.

Below is the continuation,

This screenshot shows the continuation of the class verification system. The sidebar and top navigation are identical to the previous screenshot. The main content area now displays a table titled 'Students' Registration Table (Approved and Declined):'

Subject	Student Name	Registration Date	Proof of Payment	Registration Status	Action	Deletion
Additional Mathematics	Hakimi Daniel bin Haque	2022-07-13 12:20:23		Approved	<button>Decline</button> <button>Update</button>	
Physics	Hakimi Daniel bin Haque	2022-07-13 12:20:23		Approved	<button>Update</button>	
Additional Mathematics	Natasha Aliah binti Razak	2022-07-13 10:49:13		Declined	<button>Update</button>	
Biology	Natasha Aliah binti Razak	2022-07-13 10:49:13		Declined	<button>Update</button>	
Chemistry	Ban Siaw Xi	2022-07-13 02:41:30		Approved	<button>Update</button>	

Class Verification is where an admin will verify whether any student who has applied for the registration is accepted or declined. Admin has the ability to click on the picture for a bigger proof of payment image. For example,

The screenshot shows the 'Class Verification System' interface. On the left, a sidebar lists various administrative tasks: Dashboard, Manage Student, Manage Tutor, Manage Class, Class Verification (which is selected), Class Details, Feedback, and Sign Out. The main area is titled 'Students' Registration Table' and shows a single entry for 'Physics'. To the right, a large window displays a 'BANK ISLAM Transaction Receipt' for a successful transfer. The receipt details are as follows:

- DuitNow: Successful
- Reference No.: 20211221ORM [REDACTED]
- Date: 21 Dec 2021 08:38 pm
- Recipient Name: MOHD FAEEZ BIN MOHD
- Recipient Account Number: 514169924909
- Recipient Bank Name: Maybank Berhad
- Transfer Type: Fund Transfer To Savings/Current

Below the receipt, there is a table titled 'Registration Status' with four rows, all of which are currently 'Pending'. Each row has an 'Action' column with an 'Approve' button.

**Students' Registration Table (Pending):**

Subject	Student Name	Registration Date	Proof of Payment	Registration Status	Action
Physics	Khairul Haziq bin Khairy	2022-07-27 19:05:22		Pending	<input type="button" value="Approve"/> <input type="button" value="Update"/>
Additional Mathematics	Khairul Haziq bin Khairy	2022-07-27 19:05:22		Pending	<input type="button" value="Approve"/> <input type="button" value="Update"/>

Let's say we approve Haziq's application,

**Students' Registration Table (Approved and Declined):**

Subject	Student Name	Registration Date	Proof of Payment	Registration Status	Action	Deletion
Physics	Khairul Haziq bin Khairy	2022-07-27 19:05:22		Approved	<input type="button" value="Update"/>	
Additional Mathematics	Khairul Haziq bin Khairy	2022-07-27 19:05:22		Approved	<input type="button" value="Update"/>	

the data will be then moved to the approved and declined applications table below. And the verification status for Haziq will be changed to Accepted in the student dashboard.

## Class Details (Admin)

The screenshot shows a user interface for managing class details. On the left is a sidebar with a logo 'Let Us Score!' and links: Dashboard, Manage Student, Manage Tutor, Manage Class, Class Verification, Class Details (selected), Feedback, and Sign Out. The main area has a header with a calendar icon and the date 'Wed Jul 27 2022 19:57:07 GMT+0800 (Malaysia Time)'. Below it is a message: 'Choose the day and the subject to view the class list below:' followed by a dropdown menu set to 'Saturday' and buttons for Mathematics, Add. Mathematics, Physics, Chemistry, and Biology.

Option to see class details for administrators. For example, class for Physics on Sunday.

The screenshot shows the same interface as above, but with the day set to 'Sunday' in the dropdown menu. The main area displays a table titled 'Class List (Sunday | Physics)' with columns: Name, Phone, E-mail, Gender, Birthdate, Registered Date, and Address. The table lists six students with their respective details.

## Feedback (Admin)

The screenshot shows a web-based administrative dashboard for managing student feedback. On the left is a sidebar with a logo and links for Dashboard, Manage Student, Manage Tutor, Manage Class, Class Verification, Class Details, Feedback (which is highlighted), and Sign Out. The main content area is titled "Feedback System" and displays a table of feedback entries. The table columns are ID, Title, Comment, Date Submitted, and Action. Each entry includes a delete icon in the Action column. At the top right of the table is a "Export Data to CSV" button.

ID	Title	Comment	Date Submitted	Action
1	Great website!	I'm amazed that this is free, the tutor teaches Math really well, you can even use it to grasp the basics of your upcoming grade. For example if you take in Form 4 you can do some prep for Form 5 so when you actually do Form 5 it'll probably be a lot easier for you haha. This app also teaches other kinds of topics like prep for several exams, prep for college, history, I think a little bit about socialise too? There wasn't ads too O.O overall, pretty good system	2022-07-13 02:31:51	
3	sometimes crash	There's no doubt this app is the best. I love all the content I can learn for free. The only thing for which I am holding out is because this app crashes on my Android 12 phone. It's basically unusable. I've tried all troubleshooting methods but couldn't get it to work. The content is 100% amazing. The system is cool, with just finishing touches missing.	2022-07-13 02:35:00	
4	Learning Tools	One of the best learning tool for any students out there, its super effective but of course it isn't perfect. There is a bug where some sentences in the Hint button or on the multiple choices doesn't appear at all. Some of the page will just go blank with no reason, it can be fixed by reloading the app but the progress will be removed leaving me frustrated. Need to be fixed but good app overall	2022-07-13 02:36:35	
5	awesome!!	Best online learning platform which is completely free and has a great quality resources. The visuals and the diagrams are so good that it makes the topic crystal clear in one go. Really satisfied with the content in the app. I appreciate the efforts put in by all the faculties and the background team. Thank you very much for creating this fantabulous app.	2022-07-13 02:37:19	
6	clean app	It is a nice and clean app for learning. I can watch videos or download and watch them later. There are courses on different interests. I can add courses of my interest to my library and organize them. Everything is free, there are no Ads, app interface is so smooth.	2022-07-13 02:37:36	
7	Bad quiz!!	The quizzes are horrendously done. They will mark a correct answer as wrong. My answer is checked via an online graphing calculator, calculus equations solvers, and/or other such computer programs. These agree with and confirm my answer, yet somehow Kahns answer is completely different. Further, there is no way to report an error in a question/solution/video. Not to mention the frustration of the way the unit tests and quizzes work, which other reviews have covered.	2022-07-13 02:38:20	
8	i need the points!	The system is horrendous. After you've reached 'proficient' on all topics you have to take the unit test to level up. But the tests are usually 30 questions long and if you're not doing well in one topic and you keep missing 1 question you have to take the 40 minute test all over again. Also, if you get one wrong towards the beginning there is no option to restart, you just have to do the whole thing knowing there is no point. (Also I am required to get all the maximum points for each topic)	2022-07-13 02:39:18	

There is an option for administrators to view every piece of feedback made by the students. There is also a delete button to delete the feedback. On the top right hand side, the export data to CSV is the same as shown before, except it will show all the feedback and will be named as "feedbackList (date).csv".

## Dashboard (Tutor)

The dashboard is divided into four main sections:

- 1.** Tutor's navigation bar on the left, featuring a logo and links for Dashboard, My Details, Student Details, and Sign Out.
- 2.** Tutor's quick report at the top right, displaying the tutor's name (Siti Bayani binti Amzar), total students (7), total classes (2), and class links for Saturday and Sunday.
- 3.** My Class Details table showing two entries for Mathematics classes on Saturday and Sunday, each with a Google Meet link.
- 4.** My Details section on the right, listing personal information: Name (Siti Bayani binti Amzar), Phone (0179611828), Email (sitibayani93@yahoo.com), Birthdate (1993-03-17), Gender (Female), and Address (No. 40, Jln 9/9Z, PJU44, 05120 Merbok, Kedah Darul Aman).

1. Tutor's navigation bar.
2. Tutor's quick report. It will display the tutor's name. The numbers for total students for the tutor and the total tutor's total classes. Class links provide a quick link to the Google meet link.
3. Shows the details about the tutor's classes and the ability to change class link url.
4. Details about the tutor.

When new class link is updated,

## My Details (Tutor)

Provide the ability to change the tutor's personal details.

The screenshot shows a user interface for updating personal details. On the left is a sidebar with a logo, 'Dashboard' button, 'My Details' button (which is active), 'Student Details' button, and 'Sign Out' button. The main area has a header with a calendar icon and the date 'Sat Aug 06 2022 23:51:27 GMT+0800 (Malaysia Time)'. Below this is a section titled 'My Details:' containing fields for ID (7), Username (siti), Full Name (Siti Bayani binti Amzar), Phone Number (0179611828), Email (sitibayani93@yahoo.com), Gender (Female), Birthdate (17/03/1993), and Address (No. 40, Jln 9/9Z, PJU44, 05120 Herbok, Kedah Darul Aman). At the bottom is an 'Action (Save)' button with a yellow checkmark icon.

When save button is clicked,
